Market Report: April 3
 Had an outstanding run of calves and yearlings for our back to grass special showing 2500, with excellent quality all the way through. I once again would like to give all our producers a pat on the back for doing an excellent job with their stock. It is neat to see the pride these producers put in their stock having them ready for the next rancher or feedlot. We would call our market 10 to 12 higher in all areas from 2 weeks ago. Our next Monday auction will be our all class and yearling Bonanza auction on Monday April 24th with some super sets on the list. If you want to move any feeders please give us a call and we would be more than happy to stop out and visit with you about our upcoming specials. Here are a few results:

Market Report: April 6
 Had a short run of fats for our Thursday April 6th auction, but did have a market that was on fire, sending those top fats out at 179.00. These would be some of the highest fats we have ever sold. We followed with another large run of weigh cows and bulls, also finding a very active market, sending those good fed cows out as high as 108.50. We finished the afternoon with a short run of feeders and some good sets of pairs and bred cows.
