Open Burn Permits

LEGISLATURE BILL #408 · IT'S THE LAW

81-520-01. (1) There shall be a statewide open burning ban on all bonfires, outdoor rubbish fires, and fires for the purpose of clearing land.

(2) The fire chief of a local fire department or his or her designee may waive an open burning ban under Subsection (1) of this section for an area under his or her jurisdiction by issuing an open burning permit to a person requesting permission to conduct open burning. The permit issued by the fire chief or his or her designee to a person to conduct open burning shall be in writing, signed by the fire chief or his or her designee. Anyone burning in such jurisdiction when the open burning ban has been waived shall notify the fire department of his or her intention to burn.

(3) The fire chief of a local fire department may adopt and promulgate rules and regulations listing the conditions acceptable for issuing a permit to conduct open burning under subsection (2) of this section.

Note from the Hartington Fire Department
You must have a burn permit for all open burning of fields, rubbish piles, bonfires, etc. All permits granted on weather conditions. Absolutely no burning of tires.
